

GETTING TO KNOW THE TEAM

WHAT IS YOUR SUPERPOWER?

I am a very organised person, making sure to pay attention to the finer details, always willing to go the extra mile to ensure the things I do are done properly. I'm happy to ask for help when I need it while also helping others when they need it.

WHAT UPSETS YOU?

I find inequality upsetting, the idea of people being treated unfairly is something I'm passionately against. I believe in standing up for others, being a voice for those who can't always speak for themselves. This is also why I am a big advocate for animal rights and fighting animal cruelty.

WHAT ARE YOU GOOD AT?

I am good at paying attention to people and making them feel heard and that they are being listened to. I am able to comfort people and I find it easy to empathise with others and their situations. I am very conscious of other people's emotions and will do what I can to support them and their needs.

I am good at motivating others to be the best versions of themselves, helping them to recognise and develop their talents while pushing them to the best of their abilities. I want to make sure learners are aware of how important their accomplishments are.

WHAT DO PEOPLE NEED TO KNOW ABOUT YOU?

I follow a vegan diet as I am very strongly against any type of animal cruelty or suffering.

WHAT IS YOUR FAVOURITE SAYING?

"Be kind to others, be kind to your mind, be kind to the planet."
