

ALEX EDWARDS (HE/HIM)*

HEAD OF IT OPERATIONS &
ASSISTIVE TECHNOLOGY

WHAT DO YOU DO AT INCLUSION ?

I am a Tutor and work with students on their Maths, English, Life skills and employability skills. Day to day I hold sessions and teach students in order to prepare them for exams and also their futures.

I am also Head of IT Operations & Assistive technology. This means I manage all IT and systems the college uses. Leading assistive technology means that I am constantly innovating and looking to build our ability to use technology in order to support and assist individuals with disabilities or other impairments that might make certain tasks difficult or impossible.
